ZSCMST was awarded with SUC Level III

ANOTHER MILESTONE..

Congratulations

ZSCMST

ZAMBOANGA STATE COLLEGE OF MARINE SCIENCES AND TECHNOLOGY

SUC Level III

for Seven (7) Prolific years as SUC Level II and continuously *soaring high*, the **ONLY** State College in Region IX to notch the SUC Level III tilt.

"Integrity and Competence are our Thrusts"

Due recognition for the leadership of the College President
MILAVEL DEPAQUIVO-NAZARIO, Ed.D.

MEMORANDUM
For: PRESIDENTS / OFFICERS-IN-CHARGE OF STATE UNIVERSITIES AND COLLEGES
Subject: TRANSMITTAL OF THE OFFICIAL SUC LEVELING REPORT CARD
Date: August 28, 2018

ATTY. JOSELITO C. ALISUAG, PH.D.
Director IV
Office of Institutional Quality Assurance and Governance

Atty. Chair / Chair Designates
Board of Regents / Trustees

Last August 28, 2018, the ZSCMST received a transmittal of the Official SUC Level Report Card posting that the Zamboanga State College of Marine Sciences and Technology acquired and bearing a Level III spot in the spirit of one hundred eleven (111) State Universities and Colleges (SUCs) who underwent stringent evaluation using the Leveling instrument for SUCs and Guidelines for Implementation prepared by the Commission on Higher Education (CHED), Department of Budget and Management (DBM) and the Philippine Association of State Universities and Colleges (PASUC). A manifestation of ZSCMST that the College is effective in undertaking the function of a state college and **teaching is its core business**. Its faculty keep up with developments in their discipline through their personal study and faculty development program which aimed to upgrade and update their knowledge, skills and competencies.

Dr. Milavel D. Nazario, who zealously steered the wheel to work out on this was able to fulfill her vision though she is about to finish her term on November 17, 2018 this year. Still was able to clasp the said title as she continues to work *ardently and enthusiastically* for the College. She envisions ZSCMST to be the home of *globally competitive individuals* which is translated in the College's Vision. Dr. Nazario said, "Obtaining the Level III title is one of the distinguished accomplishments that a SUC must possess."

SUC Leveling was initiated to set direction for SUCs to catch up with top universities and colleges in other ASEAN countries. The result of this should now be quantifiable in terms of performance of SUCs in the areas of quality and relevance of instruction, research capability and output, services to the community, and management of resources. This also determines the current status of state universities and colleges. With this, ZSCMST still continues to undergo different rigorous evaluations and assessments to meet up the needs and challenges of the global industry and the academe. We bring glory and honor to God.

ZSCMST being ISO 9001:2015 Certified

ANOTHER MILESTONE...

Congratulations

ZSCMST

ZAMBOANGA STATE COLLEGE OF MARINE SCIENCES AND TECHNOLOGY

CERTIFIED ISO 9001:2015 

Continual improvement assures consistent quality customer service. To give due recognition to the **initiatives of the College President – Milavel Depacaquivo-Nazario, Ed.D.** of her flaming enthusiasm to put ZSCMST in place and to respond to its Quality Policy she pushed its certification to position the institution to its greater heights. The College was **ISO 9001:2008 Certified since October 2010 then it underwent a stringent and tough combined transition and re-certification audits.** Now, **consistently waving its banner for almost ten (10) years** and after the review of the combined audits of the documented information (documents and records) in accordance with the requirements, it is **still unbroken** as ZSCMST was recommended by AJA Registrars last June 29, 2018 as **CERTIFIED ISO 9001:2015.** With this the College will profit increased job satisfaction, improved morale, improved operational results and increased efficiency which eventually will benefit the customers/stakeholders.

"We Bring Glory and Honor to God"

ZSCMST

Internationalization

The development of Academic and Exchange Programs among Universities in the Philippines and Turkey is one of the testimonies that the Vision and Mission are being achieved and put into practice. This project aims to promote academic exchange programs with disciplines related to fisheries; build capability of faculty and researchers in the said field; develop collaborative and integrative research projects; and develop appropriate joint, dual, double or by-research degree programs.

- a) The Zamboanga State College of Marine and Sciences and Ege University or Aegean University (Turkish: Ege Üniversitesi)
- b) The Zamboanga State College of Marine and Sciences and Ankara University (Turkey)
- c) The Zamboanga State College of Marine Sciences and Technology and Canakkale Onsekiz Mart University (Turkey)
- d) The Zamboanga State College of Marine Sciences and Technology and Karadeniz Technical University (Turkey)
